- Include quotes from surveys, etc.
- Share anecdotes

We only ask that you be specific, not generic. For instance:

**Specific:** For many years we have been dealing with our son's physical and emotional challenges. Then a business associate suggested that we check into the ABC Therapeutic Riding Center. What an incredible place! After just two months of weekly visits, our son was speaking more, walking longer distances, and acting out less. Each week he seems to make more progress in both the physical and behavioral realms -- things we never dreamed possible! He looks forward to each visit because he absolutely loves his horse and therapist at ABC. We can't thank you enough!

**Generic:** One parent wrote, "ABC organization is great and your staff treated us so well. Thank you!"
